The CHDO Operating Assistance Program provides operational support to state-certified CHDOs during the development of DHCD funded (ASNH) Program projects. The funding is intended to assist CHDOs that can demonstrate a need for operating support.

Eligibility

All eligible applicants must be a current state-certified CHDO. This CHDO certification must be for the area in which the ASNH project is located. See the CHDO certification requirements for specific requirements.

Applicants must have a current ASNH program funding offer and/or program agreement and may not have more than one concurrent CHDO Operating Assistance Program grant. Grants are limited to \$50,000.
